

What is your New Year's Resolution?

Is it saving your organization's resources such as time or money?
How about improving efficiencies, safety, and productivity?

Do you have **ISSUES?**

Narrowbanding

- What is it?
- When must we do what?
- What current radios are compatible?

VOIP or ROIP?

- What is it?
- Who is using it ?
- What funding is available?

System Lifecycle management?

- What is the annual PM value?
- Do maintenance contracts make sense?
- Who needs 24/7 coverage?

Wide Area Coverage?

- What options are there?
- How to cut site linkage costs?

Interoperability?

- What is it?
- How can I achieve it?
- What funding is available?

Integrated Security Systems?

- What is it?
- How can I achieve it?
- What funding is available?

In Building Coverage?

- What are the alternatives

Transition to Digital?

- Is there an easy way?
